Barrier Games

Barrier games are an effective and motivating way of extending the language skills of children for whom English is an additional language (EAL) EAL Teaching Strategies Resources and guidance for teachers of pupils for whom English is an additional language (EAL)

Easy EAL Games to Try with Students

EAL pupils are feeling the benefits of these classroom games. Games used to help break down language and cultural barriers for pupils who have recently moved to an English-speaking country are particularly interesting and provide a route for the children to get involved and avoid any awkward interactions with staff and students alike, helping them on their path to being fully integrated in the classroom.

Great Idea: Barrier Games | EAL Nexus

Great Idea: Barrier Games. Barrier games are a specific form of information gap activity. Information gap activities are communicative activities for two or more learners, where, for example, Learner A has information that Learner B needs, and vice versa. In a barrier game Learner A and Learner B sit with a barrier between them...

Barrier Games in the ESL Classroom | Creative Language ...

Barrier games are very popular among elementary school students. They are used in many subjects including math and art. They also have great potential in a language classroom. With my classes, I regularly review prepositions of location. In the past, I used barrier games that I created myself. Recently, I found a great resource that was...

Barrier Games – Valuing Diversity in Education for Society

This might be confusing to EAL learners – it would be good idea to address this and explain it. Type B: Maths. Of course, Type B barrier games can be used with just paragraphs of text or even smaller sentences. Here I've got a very simple and short example from the subject of Maths. We can see a word problem here about Sara, who collects coins.

Removing Barriers to Learning: Progressing from EAL to ...

Removing Barriers to Learning: Progressing from EAL to Bilingual. 17 Jan 2018 12:00 PM. Problems are a part of life. Look around your classroom and you will observe a myriad of issues. That marking pile, the reports, the

child with Tourette's, the child who can't sit still.

Barrier Games

Barrier Games: Great for Language Enrichment. Buy two sets (or enough for each person in your group) of paper dolls, magnetic dolls, etc and have each child "dress" their doll and then describe the items of clothing and give directions to peers to dress the dolls the same. Buy two sets (or enough for each person in your group)...
