Pioneer RT

I bought a Pioneer RT 1020L Reel-to-Reel Tape Deck for \$35 about 10 years back, and it worked OK at the time mechanically, but it has seen some rough storage since then. Hot, cold, dust, humidity, etc. Finally got it out a few days ago and it was so jammed up that the pinch roller would not even budge.

Pioneer RT

PIONEER RT-1020L REEL To Reel Tape Recorder - WORKS - Needs Cleaning - \$375.00. I have here is a used Pioneer RT1020L reel to reel that I bought several months ago (used) I installed new belts (both) and have played this unit with the tapes that I still have. I bought this machine as a back up for my Teac rtr but found a model 1011L which was what I had originally so do not need this one.
